Dear ☐ Mother ☐ Father ☐ Other,

I wish to purchase **Knockout 2: Wrath of the Karen**, a single-player video game for my platform of choice, ☐ Steam ☐ iOS ☐ Android ☐ Ñoldor Palantír.

It has come to my attention that I do not possess the required funds to make this purchase. This is a formal request for this family's Secretary of the Treasury to remit funds to fulfill this requisition request, for the current market price of \_\_\_\_\_ plus taxes including but not limited to state tax, federal tax, requisite bribes, and congressional lobbying costs.

I have been ☐ very ☐ reasonably ☐ acceptably good since this period of behavioral temperance starting \_\_\_\_ / \_\_\_\_ / \_\_\_\_\_. Such behavior, while not itself indicative of entitlement, is deemed to be worthy of these funds.

If the Treasurer does not agree with the personnel assessment above, do note that I am willing to trade for ☐ labor ☐ political influence ☐ future favors as defined in Form 1069a, if attached.

If the Treasurer otherwise agrees to one or both of the above stipulations, but instead finds there to be a permissions issue, I request the Treasurer consider a one-time exception for this case of utmost importance.

☐ I am also willing to invoke a decision by boxing match.

If the Treasurer does not agree with the arguments presented, do note that officials are tracking a massive nationwide threat of karenic origins. Such existential threat strengthens daily, and the Treasurer's delay in remittance of funds only serves to keep this Agent away from the fight in opposition to direct orders from the President of the United States.
